The Art of Breaking Apart

ZARA NOVAK

The background is a vibrant, abstract composition. The top half features a halftone dot pattern in shades of green, blue, and yellow. Below this, there are large, overlapping, organic shapes in shades of pink, orange, and purple. The bottom half of the image is dominated by a series of dark, wavy, mountain-like shapes in shades of brown and orange. Scattered throughout the composition are numerous small, semi-transparent circles in various colors, including white, yellow, orange, and purple.
